Who does not know the sinister convent scenes with Sean Connery in the movie "In the Name of the Rose"? This is based on the eponymous bestseller by Umberto Eco and has brought the former Cistercian monastery also a certain international reputation. At the original location, our Kloster Challenge will take place. Equipped with a road book, GPS and hints, you will embark on an orientation tour around the monastery grounds and will have to face exciting challenges that you can only solve in a team.

You have the opportunity to get to know the monastery and its surroundings from a different angle. And in every weather!

During a final monastery tour with a wine tasting (optional), you will also get to know the monastery walls from the inside and will feel the mysterious atmosphere of the film on your own body. And of course we award the winners with regional sparkling wine from the monastery!

On request, we also organize an outdoor buffet and a restaurant visit in the Klosterschänke or a nearby Gutsschänke in a relaxed atmosphere.
