

Adventure SUV in the Rhine Valley

Region: Rheingau, Kloster Eberbach, Rhein-Main-Gebiet

Participants: 3 — 20 | **Duration:** 4 -8 h | **Price:** from 159 € pp plus 19% VAT

Join us on the SUV expedition! During your journey, you can relax and enjoy the beautiful landscape, the wine and the atmosphere of the Rheingau. The flair of a SUV accordingly not only the known routes are scoured during the trip, but also one or the other insider tip driven on inconspicuous paths. On this individual tour we stop at monasteries, castles, monuments and, if you like, outside of the "typical" routes, for example, to take a look at the stunning views or taste the wines of the region in one of the excellent wineries.

We offer 2 options for this tour: enjoyment and gourmet or more outdoor adventure. Of course, an exciting mix is ??also possible!

Outdoor Adventure: On the tour you will drive to various stations and then guided by GPS and / or map and compass. Here, the team has to solve exciting and sometimes tricky tasks. Rappelling from a height of several meters or a zipline over a small gorge will surely give you a first adrenaline rush. Other items can be archery, a mohawk kandak and other challenges. Of course, in a real outdoor tour the obligatory campfire with bread (BBQ optional) is not missing.

Delight and gourmet: this tour is all about pleasure and relaxation. Hustle and bustle is out of place here. After a leisurely drive and a visit to selected places, there is no better ending than good food and wine in good company. To conclude a successful day, the cozy get-together, chatting, eating and drinking in a good restaurant or winery offers. Ultimately, you determine the pace and destination of the journey. What is certain is that you will remember a few unforgettable moments.

Program Description

The duration of the journey depends on what you want to see and experience. You can choose between a pure "exploration trip" with stops at selected sights or you also integrate one or the other team tasks. We will gladly advise you and take over the design of your individual program.
