

Lama Expedition

Region: Rheingau, Kloster Eberbach

Participants: 5 — 50 | **Duration:** 4 - 6 h | **Price:** from 69 € pp plus 19% VAT

Experience an expedition with llamas in the environment of a beautiful historic monastery landscape. The Lama Expedition includes versatile and complex challenges and tasks for the teams who are to carry out a well-defined mission - the Llamas as load carriers play a special role here.

During the tour you have to solve orientation tasks and acquire the know-how as well as the necessary material to be able to use it in a complex construction project at a later time. In the expedition itself, only the starting point will be announced. At the finish point, the participants are given the task of planning a rope bridge from the available resources and according to specifications, and then installing and crossing it themselves. Learn more about the animals on one of the largest llama farms in Germany. For your physical well-being ensures a typical regional Outdoorsnack.

Meeting point is the historic monastery Eberbach. The expedition itself starts at the nearby Llamafarm. There we introduce you to the active program and you will be divided into groups if necessary. You will be on the road as a tracker on various tours. The expedition integrates natural obstacles and other problem-solving tasks to gain directional guidance. You will be guided by photos and sketches, descriptions and puzzles as well as map, GPS and compass. The final challenge will be integrated into the search for clues in the form of a construction project. The transport of the necessary material takes place with the help of llamas. On request we can end the day together with a good meal and drinks. Or how about a final monastery visit with wine tasting?

Our service:

Over 10 years experience • Professionally trained trainers • Individual planning and organization of the event • Provision of material and quality equipment • On request, outdoor buffet and wine tasting
